

OFFER 02 / MT CFO PARTNERS

France Strategic CFO

From €9,000 / month

2+ days/week on-site · High-intensity mandate · For critical stakes

For complex French entities — €50M+ revenue, restructuring, fundraising, due diligence. You need a decision-making CFO: at the board, facing investors, inside the controls.

WHAT THIS OFFER SOLVES

Restructuring, disposal, foreign investor entry, Bercy tax audit, reinforced statutory audit — your French entity needs a CFO who represents the entity, structures the file and pilots legal obligations, with the authority of an in-house finance director.

WHAT YOU GET

OPERATIONAL FOUNDATION (INCLUDES OFFER 01)

- Assessment follow-up — challenge & tax settlement
- Preventive internal audit before any external review

FOREIGN INVESTORS IN FRANCE

- IFI reporting obligations & form 2746 filings
- BCE & Banque de France reporting thresholds
- APE commitments / foreign investment authorisation
- Compliance with bilateral tax treaties
- Intra-group flows under tax authority oversight

WHY IT'S DIFFERENT

Decision-making CFO.

In the room, at the board, facing investors — not an outside adviser.

Pillar 2 & international tax.

Groups > €750M: French exposure fully under control.

Due diligence expert.

Dataroom, auditors, buy-side — the file is ready before it's requested.

HQ-France bridge.

Group strategy translated into local operational decisions, without friction.
